INSTITUTE OF GLOBAL CERTIFICATION

IGIC
Institute of Global Certification
Management System Certification Body No. MSCB-105

CERTIFICATE
No. 22-B-1410 Rev. 0
LabTech Ready GmbH
Schellingstr. 109a D-80798 München, Germany
Company Reg. No.: HRB 252758

has documented and implemented system in compliance with the requirements of

ISO 13485:2016
Medical Devices Quality Management System

for

Design, Development, Manufacturing and Sales of COVID-19 and Drug of Abuse Rapid Test Kits including: COVID-19 Antigens, COVID-19 IgG/IgM Antibodies, COVID-19 Neutralizing Antibody, Morphine, Amphetamine and Methamphetamine.
Design, Development, Manufacturing and Sales of In Vitro (IVD) Diagnostic Including: Lateral Flow Immunoassay, ELISA, CLIA, Biochemistry and Coagulation.

Technical Area:
C: In Vitro Diagnostic Medical Devices (IVD)
- Reagents and reagent products, calibration and control materials for Immunochromatography (Immunochemistry)
- Reagents and reagent products, calibration and control materials for Fluorescence Immunochemistry
- Reagents and reagent products, calibration and control materials for Infectious Immunology
- In Vitro Diagnostic Instruments and software
F: Parts or services - Distribution services

The certificate is issued on the basis of the results mentioned in the pertinent audit report.
Validity of the certificate is conditionally limited by positive results of surveillance audits, which the certified company is committed to undergo.

This certificate can be invalid if the certificate holder does not fulfil the conditions set out in the certification agreement.

Initial issue date: Aug. 01, 2022
Expire date: Aug. 04, 2025

Sysmex Products

CS-2400i

Fully automatic coagulation device
Ability to perform all coagulation and
aggregation tests fully
automatically up to 180T/h

CS - 1600

Automated haemostasis testing.
Medium workload high class.
(up to 120 tests/h)

Semi-automatic **CA - 104**
four-channel coagulation device

Semi-automatic **CA - 101**
single-channel coagulation device

CN - 3500

Fully automatic coagulation and
aggregation device (up to 225T/h)

CN - 6500

Fully automatic coagulation and
aggregation device (up to 450T/h)
